

## Matters arising from PAB meeting 46

### 1. Board Response to PAB resolutions (Agenda Item 4)

The Board's request in item one that 'the PAB prepare a brief statement to address the concerns of those members who requested a change in the .net.uk rules, to communicate the reasoning for the PAB's decision to recommend no change' was noted. Sebastien Lahtinen offered to prepare a statement, which will be circulated on list to be agreed at the November PAB meeting

*In progress*

### 2. Internationalised Domain Names (Agenda Item 6)

No resolution could be reached on this issue after lengthy debate. Due to time constraints the Chair closed the discussion and informed the PAB that he would consider how best to re-address the issue.

*A summary of views will be presented by the Chair at the November meeting. See agenda item [12]*

### 3. PAB Code of Conduct (Agenda Item 10)

The PAB requested that the executive produce a draft code of conduct for consideration at the sub-committee with a view to presentation to the PAB at the November meeting.

*See agenda item [10]*

### 4. Governance Review PAB Issues (Agenda Item 11)

PAB members were requested to give their views on the issues raised in the paper "Governance Review PAB Issues", with a view to coming to a final conclusion at the November meeting.

*See agenda item [11]*

### 5. Phishing (Agenda Item 12)

This paper was deferred to the November meeting.
