

Governance consultation

Nominet is updating its Articles of Association, the document that describes how the company interacts with its members, and the way in which it is governed. This first consultation deals with Board composition, policy and fees. We are proposing to:- modify the composition of the Board: increase the board size, introduce a new category of appointed non-executive directors, and implement best practice with regard to length of service for non-executive directors- enshrine the company's practice of consulting on policy issues in the articles- give the Board the ability to regulate sale price as well as cost, by giving the directors the power to change all fees. This survey contains 7 questions. You can read the detailed version of the consultation paper on Nominet's web site.

This document contains respondents between 22 and 22 inclusive.

A good idea if the "non execs" were brought in from big or bigger business outside of the industry. A bad idea if the intention is to recruit non execs from the larger members
