

## Additional information section for the Rules

The purpose of this document is to provide further and additional information to you. This document does not form part of the Rules, our terms and conditions or your contract of registration with Nominet ("We", "Our", "Us"). Wherever possible we have tried to provide the most up to date and accurate information possible, however we are not responsible to you if any information contained in this section is inaccurate. Except where otherwise stated, the definitions used in the Rules apply to this document.

### 1. Technical Definitions

These definitions are the technical definitions for the various components in a Domain Name. These definitions have not been adopted in the Rules.

[insert Clive's definitions including RFC 1591 summary]

### 2. PAB/CoM Process

[insert PAB/CoM process of interpretation of the Rules]

### 3. New SLDs

We are responsible for the administration and creation of new SLDs within the .uk TLD. No new SLDs will be created unless we have given our approval in accordance with the Policy for the Creation of the Second Level Domains and the Procedure for Making Applications for New Second Level Domains.

### 4. APPENDIX C

Domain Names and SLDs delegated to registrants for historical reasons. Some of these registrants have two such SLDs. We no longer accept applications for registration of a Domain Name within specific SLDs such as the Appendix C SLDs.

Domain		Registrant
aea-technology.uk	aeatech.uk	AEA Technology plc
