

Nominet Foundation

The idea of a Nominet Foundation was floated in 2005 and we are now proposing to create a Nominet Foundation as a charity and company limited by guarantee, with a first year donation of £5m.
Please read the full details of the proposal on Nominet's web site.
This survey contains four questions.

This document contains respondents between 4 and 4 inclusive.

1. What do you think about the proposal for a Nominet Foundation?

Very good. Can't find anything to disagree with.

2. What are your views on the types of potential beneficiaries and are there any you would like added to this list?

Enabling Internet access/knowledge for all. Allocate a portion of the reserve for overseas projects to enable access for the developing world and truly underprivileged

3. What projects or organisations are you aware of that could benefit from a grant from the Nominet Foundation?

Something like the "One Laptop per Child" campaign

4. What other comments do you have?

Hope it gets the chance to "do some good" rather than just being bogged down by bureaucracy.

5. Please give us your contact details
