

## Nominet Foundation

The idea of a Nominet Foundation was floated in 2005 and we are now proposing to create a Nominet Foundation as a charity and company limited by guarantee, with a first year donation of £5m.  
Please read the full details of the proposal on Nominet's web site.  
This survey contains four questions.

This document contains respondents between 9 and 9 inclusive.

**1. What do you think about the proposal for a Nominet Foundation?**

have doubts- very limited information provided

**2. What are your views on the types of potential beneficiaries and are there any you would like added to this list?**

again feel this could be addressed year on year

**3. What projects or organisations are you aware of that could benefit from a grant from the Nominet Foundation?**

none

**4. What other comments do you have?**

feel a balance must be addressed between decreasing the cost of services to members and/or providing extra services - any surplus may then if the members feel satisfied can be used to fund a foundation but there needs to be clear objectives or as members we are simply funding projects we have no control over and we could as easily set projects up ourselves and the executive would be acting beyond their remit.

**5. Please give us your contact details**
