

Nominet Foundation

The idea of a Nominet Foundation was floated in 2005 and we are now proposing to create a Nominet Foundation as a charity and company limited by guarantee, with a first year donation of £5m.
Please read the full details of the proposal on Nominet's web site.
This survey contains four questions.

This document contains respondents between 12 and 12 inclusive.

1. What do you think about the proposal for a Nominet Foundation?

I think it's an excellent idea.

2. What are your views on the types of potential beneficiaries and are there any you would like added to this list?

The list identified seems sensible. I am particularly keen that academic research should be funded as so much of the Internet is a result of academic research.

3. What projects or organisations are you aware of that could benefit from a grant from the Nominet Foundation?

I am not worried that there will be a shortage of projects and organisations for the foundation to support.

4. What other comments do you have?

I'd like to see a more detailed proposal for review, with a charter and so on.

5. Please give us your contact details
