

## Rules for the .co.uk Second Level Domains - 2001-09-28

---

### General

1. The rules for the *.co.uk* Second Level Domain ("SLD") are incorporated by reference into the Rules for the *.uk* Domain.

### Scope

2. The *.co.uk* SLD is intended for the registration of Domain Names relating to commercial enterprises. However, Nominet will take no action with regard to the registration or use of a Domain Name unless such registration or use conflicts with the Rules or the Dispute Resolution Policy and Procedure, in each case as amended from time to time.

### Technical Requirements

3. In addition to the Technical Requirements set out in the Rules, the following technical requirements apply to Domain Names registered in the *.co.uk* SLD:
  - 3.1. Nominet will not register any two letter Domain Name in the *.co.uk* SLD. However, two character Domain Names are allowed, ie *3x.co.uk*.
  - 3.2. Nominet will not register any one character Domain Name in the *.co.uk* SLD (ie a to z inclusive, 0 to 9 inclusive or hyphen (-)).
