

Rules for the .org.uk Second Level Domains - 2001-09-28

General

1. The rules for the *.org.uk* Second Level Domain ("SLD") are incorporated by reference into the Rules for the *.uk* Domain.

Scope

2. The *.org.uk* SLD is intended for the registration of Domain Names which denote non profit making or public service organisations. These may include: charities, trades unions, political parties, community groups, educational councils, professional institutions, etc. However, Nominet will take no action with regard to the registration or use of a Domain Name unless such registration or use conflicts with the Rules, or the Dispute Resolution Policy and Procedure, in each case as amended from time to time.

Technical Requirements

3. In addition to the Technical Requirements set out in the Rules, the following technical requirements apply to Domain Names registered in the *.org.uk* SLD:
4. 3.1. Nominet will not register any two letter Domain Name in the *.org.uk* SLD. However, two character Domain Names are allowed, ie *3x.org.uk*.

3.2. Nominet will not register any one character Domain Name in the *.org.uk* SLD (ie a to z inclusive, 0 to 9 inclusive or hyphen (-)).
