

## Proposed DRS default transfer process

We are proposing that in undefended DRS cases, the complainant should have the right to a transfer of the domain name registration on payment of a fee of £200 (plus VAT).  
Please read our consultation paper for full details of this proposed default transfer process and then answer the questions below.

This document contains respondents between 112 and 112 inclusive.

### 1. What do you think about our proposal for a default transfer process?

- I agree with the proposal
- I don't mind one way or the other
- I disagree with the proposal

### 2. Please give your reasons for why you feel this way about the proposal

I find the present system put all of the effort and costs upon the complainant as well as the burden of proof. This takes up a huge amount of time and cost just to defend your own rights. Why should I have to pay when someone else is at fault?

### 3. Please give us your contact details
