

## Proposed DRS default transfer process

We are proposing that in undefended DRS cases, the complainant should have the right to a transfer of the domain name registration on payment of a fee of £200 (plus VAT).  
Please read our consultation paper for full details of this proposed default transfer process and then answer the questions below.

This document contains respondents between 127 and 127 inclusive.

### 1. What do you think about our proposal for a default transfer process?

- I agree with the proposal
- I don't mind one way or the other
- I disagree with the proposal

### 2. Please give your reasons for why you feel this way about the proposal

Absolutely Not! The DRS appears to favour the complainant in most cases already. More power would be the road to ruin! This proposal leaves the DRS completely open to abuse by all!
