This Terms Of Registration (as it may be amended by us from time to time) between you ("you", "your" or "Customer") and Domain Registry Services ("Provider") sets forth the terms and conditions of your use of the services set forth herein (collectively, the "Services"). This Agreement explains our obligations to you, and your obligations to us in relation to the Services. When you or someone else on your behalf uses, modifies or cancels the Service(s) on your behalf (even if we were not notified of such authorization), or requests or purchases additional services under your account, this Agreement covers any such service or actions. You acknowledge that you have read, understood, and agree to be bound by all terms and conditions of this Agreement, as well as any additional rules or policies that are or may be established by Provider from time to time. This Agreement as well as any additional Provider rules and policies, together with all modifications thereto, constitute the complete and exclusive agreement between you and Provider concerning your use of the Services, and supersede and govern all prior proposals, agreements, or other communications. Customer agrees that the registration system and business structure formed by Provider is entirely at the discretion of Provider. Customer acknowledges that all guarantees of registration are at the liability of Provider to provide a refund or credit as stated subsequently in this agreement. You acknowledge that payment for the order, registration or reservation of domain names is required immediately upon receipt of an order in a payment method and currency acceptable to Provider. Customer undertakes the obligation to provide proof to Provider and/or its agent or agents of ownership of all domain names submitted for renewal with the appropriate registry. This may be in the form of showing receipt of an email sent to a domain contact, faxed or mailed form provided by Provider, or through an authorization code provided by the previous registrar or registry. The method of proof is at the sole discretion of Provider. Failure of Customer to provide such authorization in adequate time before the domain expiration will result in forfeit of all fees paid and no refund will be made. Customer agrees to enable the modification of the registrar of record at the appropriate registry for each domain name renewed, to reflect the registrar chosen by Provider. You agree Provider may auto-renew domain names and charge the appropriate fees (set at time of renewal) without further authorization from Customer. As a domain name registrar, Provider is, upon accepting your application to register or renew a domain name, your sponsor for that application. No domain name registrations shall be deemed effective unless and until we deliver the domain name registration or renewal application you provide us to the appropriate registry administrator, as applicable, and that registry administrator accepts your application and activates your domain name registration or renewal. Customer bears full responsibility for the provision of appropriate methods of showing proof of ownership and ensuring this is received by Provider and/or Provider's agent. You acknowledge and agree that Provider does not guarantee that you will be able to register or renew a desired domain name, even if our systems indicate that that domain name is available. You also understand that Provider cannot know with certainty whether or not the domain name which you are seeking to register is simultaneously being sought by a third party, or whether there are any inaccuracies or errors in the domain name registration or renewal process or related databases, including the various WHOIS or other registry databases. You also acknowledge and agree that Provider is not responsible for any inaccuracies or errors in the domain name registration or renewal process. You are solely responsible for making sure that your registration or renewal has been properly processed. You further acknowledge and agree that Provider may elect to accept or reject your application for registration or renewal for any reason at its sole discretion, such rejection including, but not limited to, rejection due to a request for registration or renewal of a prohibited domain name. You also acknowledge and agree that Provider is not liable or responsible in any way for any errors, omissions or any other actions by any third party including any registry administrator arising out of or related to your application for and registration of, renewal of, or failure to register or renew a particular domain name. By applying to register a domain name, or by asking us to maintain or renew a domain name registration, you hereby represent and warrant to us that the statements that you made in connection with such registration, maintenance, or renewal are complete and accurate. By applying to register a domain name, or by asking us to maintain or renew a domain name registration, you hereby represent and warrant to us that (a) the statements that you made in connection with such registration, maintenance, or renewal are complete and accurate; (b) the registration of the domain name will not infringe upon or otherwise violate the rights of any third party; (c) you are not registering the domain name for an unlawful purpose; and (d) you will not use the domain name in violation of any applicable laws or regulations or Provider's rules or policies. You agree and acknowledge that it is your responsibility to determine whether your domain name registration or use infringes or violates a third party's rights, including, but not limited to, whether any foreign language translations of your domain name, either between roman-alphabet languages, between non-roman alphabet languages, or between roman-alphabet and non-roman alphabet languages, infringe or violate third party rights. Notwithstanding clause 1f, below, Provider considers the entity represented by the contact details submitted to Provider during the order process to be the registrant and owner of any corresponding domain name(s) subsequently registered, unless and until new contact details are communicated to Provider in writing for the domain name(s) in question. This entity will be deemed to have full authority to act with respect to the domain name registration or any other services obtained from Provider, including (but not limited to) the authority to terminate, transfer (where permitted by the Agreement), or modify such services, or obtain additional services. You agree that you may not transfer a domain name registration to another domain name registrar during the first sixty (60) days from the effective date of the initial domain name registration with us. After that time, you may transfer your domain name registration to a third party domain name registrar of your choice, subject to our then-current policies and procedures incorporated herein by reference. You agree that, if you are using the Services for someone else, you represent that you have the authority to nonetheless bind that person as a principal to all terms and conditions provided herein, including the Dispute Policy. You accept liability for harm caused by wrongful use of the Services. You agree that if you license the use of a domain name registered in your name to a third party, you nonetheless remain the domain name holder of record, and remain responsible for all obligations under this Agreement, including but not limited to payment obligations, and providing (and updating, as necessary) both your own full contact information, and accurate technical, administrative, billing and zone contact information adequate to facilitate timely resolution of any problems that arise in connection with the domain name and domain name registration. As further required by ICANN, you shall accept liability for harm caused by wrongful use of the domain name, unless you promptly disclose the identity of the licensee to a party providing you with reasonable evidence of actionable harm. In addition to representations in other Sections of this Agreement, you represent that, to the best of your knowledge and belief, neither the registration of the domain name you have applied for nor the manner in which it is intended to be or is directly or indirectly used infringes the legal rights of a third party. You further represent and warrant that all information provided by you in connection with your use of the Services is accurate and current. THE SERVICES ARE PROVIDED TO YOU "AS IS." Except for our statement regarding our accreditation as or affiliation with an ICANN-approved domain name registrar, Provider MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED, IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, UNLESS SUCH REPRESENTATIONS AND WARRANTIES ARE NOT LEGALLY EXCLUDABLE. WITHOUT ANY LIMITATION TO THE FOREGOING, Provider MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND WHATSOEVER THAT REGISTRATION OR USE OF A DOMAIN NAME UNDER THIS AGREEMENT WILL IMMUNIZE YOU EITHER FROM CHALLENGES TO YOUR DOMAIN NAME REGISTRATION, OR FROM SUSPENSION, CANCELLATION OR TRANSFER OF THE DOMAIN NAME REGISTERED TO YOU. You acknowledge and agree that Provider may suspend, cancel, transfer or modify your use of the Services at any time, for any reason, in Provider's sole discretion. Without limiting the foregoing, Provider may, in its sole discretion, suspend, cancel, transfer or modify a domain name registration (a) to correct mistakes made by Provider, another registrar, or the applicable registry administrator, (b) to resolve a dispute related to that domain name, (c) within thirty (30) calendar days of the creation date of that domain name registration, (d) if you materially breach this Agreement (including any applicable additional rule or policy) and do not cure such breach within five (5) calendar days of notice by Provider, (e) if you use the domain name registered to you to send unsolicited commercial advertisements in contradiction to either applicable laws or customary acceptable usage policies of the Internet, or (f) if you use a domain name in connection with unlawful activity.
