

# Matters arising from PAB meeting 64

## 1. Approval of the July meeting report

Minor amendments were requested to the report.

The report has been amended and published on the website

## 2. Nominet Forum

A number of issues were raised with the functionality of the Forum.

All functionality issues with the Forum have been fixed. Some usability issues with the email function exist and these are being addressed

## 3. Domain names used in connection with criminal activity

One PAB member requested that Nominet investigate a case where a company with a .co.uk domain name had allegedly been the victim of identity fraud due to the use of a .org.uk domain name which is similar to their company name. The PAB member requested Nominet to disable the domain name.

The Executive contacted the Police Central e-crime Unit to bring the case to their attention on behalf of the company

## 4. .ltd.uk and .plc.uk rules

One PAB member requested a progress update on the recommendations the PAB made to the Board on the .ltd.uk and .plc.uk rules.

The Executive will arrange to speak to a representative of the Department for Business, Innovation and Skills and Companies House directly
