

Policy Advisory Process Flow

- Clarifying source & relevance of issues
- Externally from wider stakeholder community
- Internally by Nominet
- Open policy meetings

- Dynamic = common interests
- Standing = ongoing threads
- Closed = security / restricted issues

- Facilitate wide multi-stakeholder discussions
- Clarify public interest
- Consider all views & implications
- Liaison with Secretariat

- Complex issues may require a consultation process
- Use criteria to vet results
- Refine proposals between Nominet & stakeholder groups

- Board decides on issue
- Provides status report
- On-going liaison with stakeholder groups
