

# Matters arising from PAB meeting 66

*Note: the 66<sup>th</sup> meeting being inquorate, issues discussed at the meeting, but not then put to the PAB for approval by e-mail (which was done for items 6)a) and 6)b) only) are reported here.*

## 1. PAB Performance Review

The paper will be re-presented for Member approval at the next meeting.

Tabled at Item 7)b)

## 2. Status report on PAB recommendations

The paper is an information document: no further comments have been received.

Open for any final comments in the discussion under matters arising.

## 3. .uk Brand

Impact assessment to be included on the March agenda

Tabled at Item 6)b)i).

## 4. .ltd.uk & .plc.uk – domain name registration rules

Proposals for the implementation of rules based on the Companies House schedule to be tabled.

Tabled at Item 6)a).

## 5. Reverse Domain Name Tasting

Nominet should consider whether the Best Practice Terms and Registrar agreement already cover this issue and report back to the PAB.

Nominet should review the statistics of domain names that get dropped and re-registered by the same tag (or connected tag) but to a different registrant for evidence of this behaviour within .uk.

Report back under matters arising.
